## **Our Mission Statement**

To **build** the most dynamic and prosperous team of Entrepreneurs ever created, in association with the most respected International Company in the world.

To **empower** Global Independent Representatives (IRs) of the Relationship Marketing industry to earn time freedom and to enjoy unlimited financial independence, all while giving back to those in need, breathing a life of meaning ... with hope and “True Prosperity”.

To **create** the strongest, most amazing and dramatic relationship with our valued customer ever imagined in business.

To **share** our “pride in giving” with all those who make up the Nussentials family - the shareholders, the Global IRs, and our loyal customers - while setting a higher standard for the entire corporate world to aspire to.

*We commit to this with passion and enthusiasm knowing we are contributing to a better world today, and a bright future tomorrow ... for all of us.*

*Phil Mims, President - Nussentials Corporation*
